VETERANS OF IRAQI FREEDOM AND AFGHANASTAN

July 4, 2007

Dear Veterans of Iraqi Freedom and Afghanistan,

First I would like to say "Welcome Home!"

I would be honored to do a free walk through home inspection on any home you are purchasing. Just give me a call.

Thank you for your service, and protecting our country from needless attacks. Your sacrifice has not been forgotten.

I would also like to extend this service to any immediate family member that has lost a love one in combat. If you are a wife, mother, or father, or child of a fallen hero, please allow me to help you with a home inspection on a home that you are purchasing.
